Wear your bib on the outermost layer of clothing. Your chip time will begin when you cross the starting line so you don't have to be toeing the line. Find your projected pace and fit on in! If you will be one of the top 10 runners please try to position yourself at the front of the line.

TIMING RESULTS

The first 3 places, male and female, will be determined by gun time (regular timing). All other awards will be determined by using Chip Time.

Gun Time is the time elapsed from the sound of the gun to the finish line.

Chip Time is the real time from when the runner crosses the starting line to crossing the finish line.

(Timing chips are disposable & do not need to be returned.)

RESULTS WILL DISPLAY THE FOLLOWING:

- Gun Time
- Chip Time
- Average Pace
- Overall Place
- Overall Gender Place
- Division/Age Group Place

RESULTS ARE AVAILABLE IN THE FOLLOWING WAYS:

- On Screen at the Results Trailer
- Personal Printed Result at the Results Trailer
- Online at <http://timphalf.com/results/>

TIME LIMIT

The half marathon course is supported until 9:45am (3 hours 15 minutes). After 9:45am the fuel stations, police support and barricade/fencing may not be available. Runners must be able to average a pace of 14 minutes per mile to participate.

SWAG & GEAR

All runners will receive a high-end short sleeve running shirt, vinyl decal, & temporary tattoo. All finishers will also receive a beautiful finisher medal and a race bag.

HOW THE BAG WORKS:

Your bib and timing chips will be picked up with your bag and shirt. If you plan on wearing warmer clothes up to the start line, you can use your race bag to hold any extra clothing during the race.

You will be given a zip tie in the bag to attach your "bag tag". This is necessary to identify your bag for retrieval at the finish. We will provide a Bag Truck to transport your gear to the finish line. All bags must be collected 15 minutes prior to the start of the race. The bag truck will leave at 6:45 AM.

Any clothing dropped along the course will be donated to Desert Industries as a charitable donation. Please respect the canyon and help us keep it clean by dropping clothes and any trash at designated aid stations or in trash receptacles.

SOUVENIRS & MERCHANDISE

Don't Forget to check out our Merch Tent at the Expo or at the Finish Line. We have lots of fun items for you including:

- T-Shirts
- Tanks
- Hats

TRAVEL & TRANSPORTATION

PARKING & SHUTTLES

There is parking available at American Fork High School. All Half Marathon runners are required to ride buses to the start with the exception of Participants With Special Needs who receive specific permission. Parking or being dropped off is prohibited.

BUS LOADING IS AT: AMERICAN FORK HIGH SCHOOL 3:30 A.M. – 4:30 A.M. We know it's early, but if you are not at Bus Loading at the above times you may miss your shuttle and forfeit your registration. Earlier is better! There will be one line for all bus loading. Please load buses quickly and as soon as you arrive. It requires a lot of time and effort to get runners shuttled to the start. We appreciate your help. You must show your bib number in order to board. Getting to the start early will allow you to revel in the cool mountain air by the Tibble Fork Reservoir, access toilets first, participate in the early morning Yoga in the starting corral and ensure that the race starts on time!

COURSE CLOSURE & RESTRICTIONS

The Timp Half Marathon is a downhill course that begins at Tibble Fork Reservoir Parking Lot American Fork Canyon. Once you exit the canyon you take a slight left and run on the Highland City Trails. These trails are paved and offer a pleasant running environment without any cars or traffic. Those trails will then lead you to the new Murdock Canal trails, which are also paved. These trails provide a scenic view through Highland and Cedar Hills.

Run on the right side of the road on SR92. The outbound (right) lane will be closed to cars and bicycles. Runners are not allowed to run in the inbound (left) lane on SR92.

TRAFFIC

Please stay between the traffic cones and the shoulder of the road. The roads and intersections have police support and barricade/cone services to ensure runner safety. Make sure to be vigilant and follow regular pedestrian laws when necessary.

SAFETY & ACCOMMODATIONS

AID STATIONS

There are eight aid stations throughout the event:

- Start
- Aid Station 1 @ mile 3
- Aid Station 2 @ mile 5
- Aid Station 3 @ mile 7
- Aid Station 4 @ mile 9
- Aid Station 5 @ mile 11
- Aid Station 6 @ mile 12.5
- Finish

Water, Powerade, vaseline, porta-potties and a first aid kit will be available at each station. Look for Powerade on the first table and water on the second. GU will be available at the start and mile 7. Orange slices will be available at mile 9.

SAFETY

Safety is absolutely the first priority during the race. Be aware of your surroundings and take precautions to avoid dangerous situations. Please pay attention to your body and know when to slow down.

In the case of a health emergency ask police personnel or volunteers to contact these services for immediate care. Participants run at their own risk. The ambulances stationed at the start and finish line can be dispatched anywhere along the course. Licensed EMT's will be stationed in the white medic tent.

RACE SECURITY

We take participant security very seriously. We plan every aspect of the event with this as top priority. We have hired the Police and licensed barricade co to ensure runner safety at the start and along the course.

ACCOMMODATIONS

We welcome athletes of all abilities. If you have special requirements in getting to the start or along the course please contact us at: info@runtasticevents.com. We will do our best to accommodate your specific needs.

RYPACING TEAM

To help our runners achieve their goals we have enlisted the RYPacers to pace the half marathon. The following times will be paced with two pacers per time slot:

- 1 hr 40 min
- 1 hr 45 min
- 1 hr 50 min
- 1 hr 55 min
- 2 hr 0 min
- 2 hr 10 min
- 2 hr 20 min
- 2 hr 30 min
- 2 hr 40 min
- 3 hr 15 min

At the starting line each pacer will be holding a sign with their pace time on it. The faster the pace the closer to the starting line they will be. Please find your pacer and line up behind them.

This will help all runners be around other runners with similar speeds and keep runners from getting stuck behind slower runners or getting bumped or run over by faster runners. The 3 hr 15 min pacers will be the last runners on half course. Please maintain their speed to remain on the course.

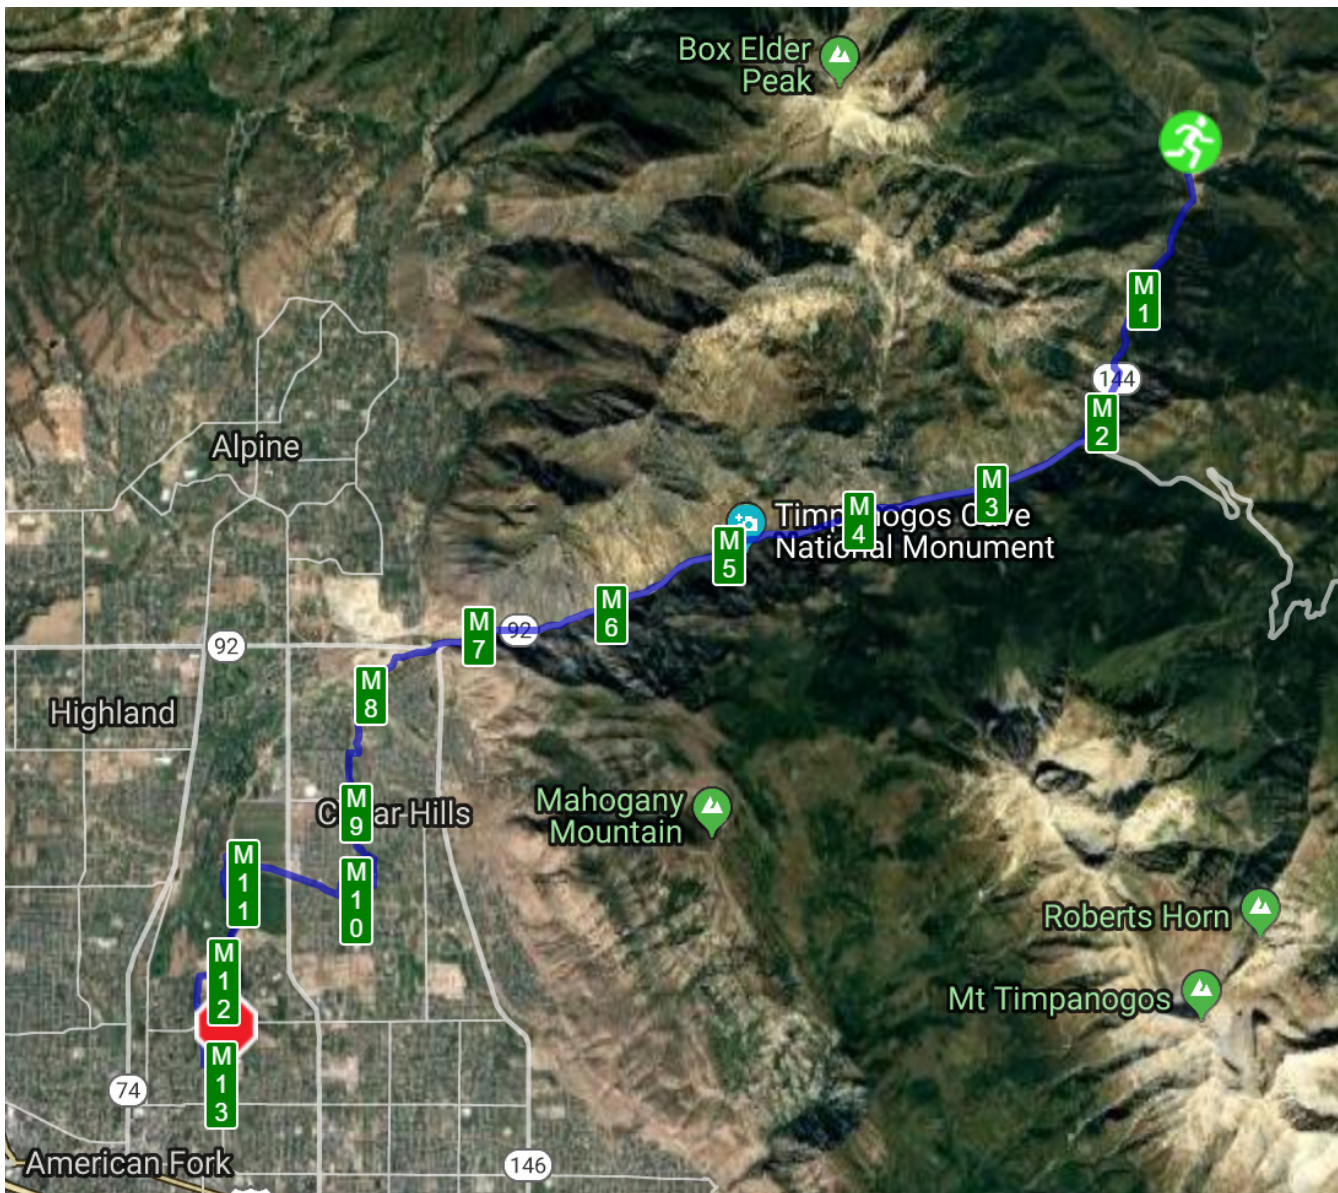

WEATHER

The average temperature at the start can be as low as 30 degrees. So dress warm! (Space blankets will be available) After exiting the canyon temperatures will be higher. Temperatures can range from 65 - 85 degrees with normal to low humidity. No matter the weather it is still important to make sure you hydrate well. We will have plenty of water and sports drink for you at each aid station so drink up!
